

PROPOSED UNDERPASSES AND BRIDGES

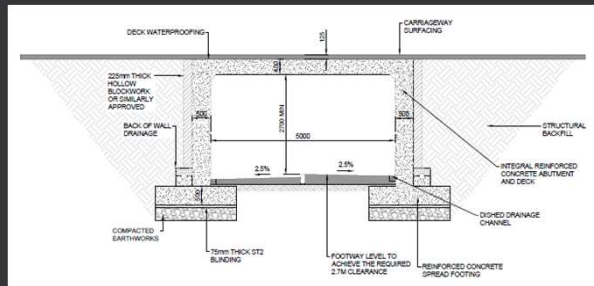

A number of underpasses and new bridges are required for the proposed dual carriageway works. Whilst details are still being developed and are subject to change the current options being considered for these structures are shown below.

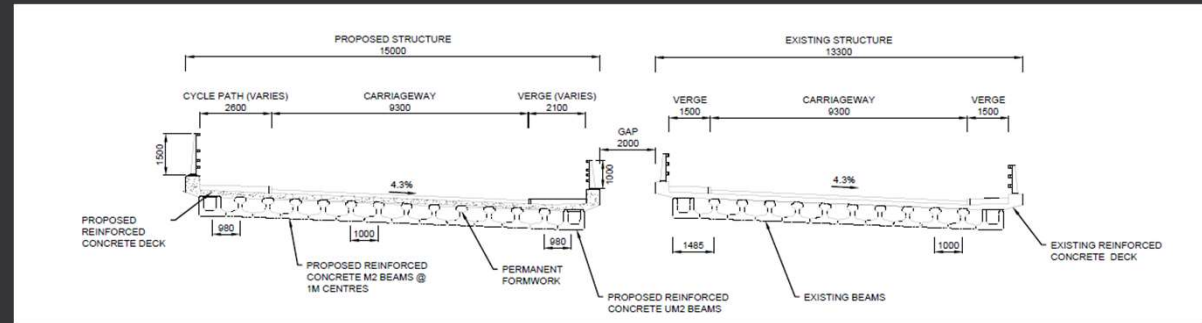

Typical Cross Section Through Proposed Haxby Roundabout Underpasses

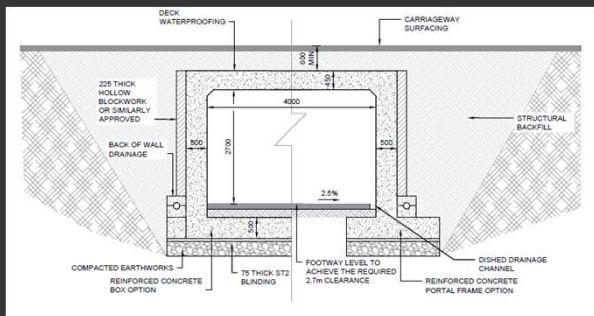

Typical Cross Section Through Existing and Proposed Bridges over York – Scarborough Railway Line

Typical Cross Section Through Proposed Underpass at Strensall Road Roundabout

Typical Cross Section Through Existing and Proposed River Foss Bridges

Typical Cross Section Through Proposed Clifton Moor Underpass
